Docket No. 3:06CR123

On 04/24/2007, the above named appeared before Your Honor in reference to a pending Supervised Release violation matter and was released on a \$10,000 unsecured bond. At that time, Your Honor specified that Mr. Jones was to establish an alternative residence as he had been residing with his girlfriend, April Burris. During the hearing, Mr. Jones indicated he would be able to comply with the Court's directive. However, since his release, Mr. Jones has informed the probation officer that he could not secure an alternative residence and has no choice but to remain in the home of his girlfriend. In addition, the defendant tested positive for cocaine use on 05/15/2007. Based on this information, the probation officer is requesting the Court's direction as to how to proceed. Please advise if Your Honor wishes the defendant to be returned before the Court as a bond violator to address these issues or if Your Honor wishes the probation officer to hold the stated violations in abeyance until the Supervised Release violation matter is adjudicated. Should Your Honor need additional information, please feel free to contact my office at 704/350-7648. Your attention in this matter is appreciated.
